RE: Requesting a meeting regarding Calexico Bazar on City Council Meeting to be held on November 5<sup>th</sup>.

Dear Louis Fuentes and City Council Members:

The Micro Business Service Center of Calexico Neighborhood House is providing business supportive services to Imperial County residents who are currently business owners or who desire to establish a new business venture. Our services focus on people who are currently unemployed and displaced workers from the agricultural industry. With the current national economic crisis, the financial hardship hit hardest on these groups. As a way to provide an opportunity to stabilize and formalize their economic situations we would like to propose and ask the City of Calexico for support for the following program:

## PROGRAM OBJECTIVES

- Social and economic development through Calexico Bazar.
- Give an opportunity to the unemployed, displaced and low-income families to generate funds.
- Create a sense of community for Calexico residents.
- Provide grounds for social, entertainment, and community events.

I would like an opportunity to visit with you to get your insight and suggestions.

I look forward to meeting you.

Sincerely,

  
Samuel Kim
